News Flash!

The first 8th Dan-I holder in history was born.

The first 8th Dan-I holder in history was born. Unprecedented and the highest peak in the Sport Wellness Fukiya world. The person who achieved this feat was Ms. Shigeko ISHIKAWA.

Total scores of 6 rounds were 204 points (33/35/35/33/33/35) out of full mark 210 points. I can only describe it as amazing.

I feel it is of great significance that the first person to achieve this goal is a woman. A new journey towards the next step, 9th Dan-I, has now begun. I sincerely congratulate Ms. Ishikawa.

Congratulations!! (Translation from Association's Official Blog written by Chairman)
